IIFL Finance ensuring healthy and fit India through “Be Monsoon Ready” health camps

- **Organises over 1035 health camps on a single day**
- **More than 24,130 citizens benefitted from the health camps**
- **These camps were organized under its CSR programme “Milan”**

IIFL Finance, one of India’s largest non-banking finance companies, along with IIFL Foundation, organises various community activities under the banner of “Milan” through its formidable network of branches. These activities positively impact communities and form part of IIFL’s mission to give back to local communities and the society.

Onset of monsoon also invites a host of diseases and IIFL Finance is on a mission to keep citizens healthy. In the third week of July 2019, IIFL organized 1035 free health camps in more 700 cities and towns across the country. Under the theme “Be Monsoon Ready”, these health check-up camps benefitted 24,130 citizens in understanding the types of monsoon diseases and the precautions they should take.

Mr. Anand Mathur, President-Human Resources, said, “IIFL Finance is a responsible organization that believes health is fundamental right for all. Through these monsoon-specific health camps, we have contributed towards raising awareness on health related issues occurring in the monsoon season. It is a known fact that healthy citizens make a productive workforce that contributes to the growth of the nation.”

Through its CSR programme “Milan”, IIFL Finance has touched more than 3 lakh lives till date by conducting innovative programmes related to health, preservation of environment and financial literacy.

IIFL Group’s non-banking finance arm, India Infoline Finance Limited, is a systemically important Non-Banking Financial Company not accepting public deposits and engaged in the business of home and property loans, gold loans, loan against securities, SME business and micro-finance loans. IIFL Finance has a long-term credit rating of AA (Stable) by Crisil, AA (Stable) by ICRA and AA (Positive) by CARE.
