

Top two commodities to watch out for the evening

January 15, 2018

| Sr No | Commodities | Outlook | Strategy |
|-------|--------------------|---|---|
| 1 | Natural Gas | Natural gas prices rallied last week by almost 12% and it is currently trading near the intermediate resistance level of 200. If prices give daily close above 200 levels, then it can easily touch 205 levels. |  |
| 2 | Copper | Copper gave a gap up opening in today's session above the resistance levels of 460 and is looking strong. If prices sustain above 460 levels, then it can easily touch 465/468 levels in a few days. |  |
